**Invitation to the Zhejiang Export On-line Fair 2022
(International Projects Contracting - Middle East Region
Session)**

_____ :

With the powerful construction capacities, Zhejiang International project contracting industry has made outstanding achievements. In order to help Zhejiang enterprises to develop the Middle East regional market, The Department of Commerce of Zhejiang Province will hold the Zhejiang Export Online Fair 2022 (International Projects Contracting - Middle East Region Session). As the Co-organizer, Zhejiang International Contractors Association will be responsible for the event preparations. We sincerely invite the leaders of your organization to participate in the business matching meeting held on August 24 and introduce opportunities for cooperation in infrastructure projects in your country, especially in the fields of Housing construction, Transport, Energy development, Communication, Industrial factory building, Municipal works, Water affairs and Smart city. The presentation time is 15-20 minutes and a detailed introduction PowerPoint is supposed use in the course. After the meeting, we will arrange "one-on-one" online meeting between your organization and potential partners of Zhejiang companies according to the project needs for promoting the relevant cooperation between Zhejiang and the Middle East countries.
